

FYCA Handicaps 2004

(Issue A - 26 March 2004)

(Yellow Highlights are changes since the last issue. Red entries are changes to be included in the next issue)

The FYCA Handicap Committee set handicaps assuming that, if your yacht is a Cruiser/Racer, the rating issued for handicapping purposes assumes that the equipment carried on the yacht is 'reasonable' for the purpose of cruising and racing. If the yacht is not raced with an equipment level suitable for cruising, the skipper/owner is required to advise the handicap committee who may adjust the handicap accordingly

FYCA Handicaps 2004

(Issue A - 26 March 2004)

(Yellow Highlights are changes since the last issue. Red entries are changes to be included in the next issue)

The FYCA Handicap Committee set handicaps assuming that, if your yacht is a Cruiser/Racer, the rating issued for handicapping purposes assumes that the equipment carried on the yacht is 'reasonable' for the purpose of cruising and racing. If the yacht is not raced with an equipment level suitable for cruising, the skipper/owner is required to advise the handicap committee who may adjust the handicap accordingly
