

Forth Yacht Clubs Association

The forum for Clubs on both sides of the Firth

FYCA ANNUAL TROPHIES AND AWARDS

The Association presents a range of trophies for successful yachts competing in the FIG Series, the Forth Dinghy Championship and the Forth Yacht Championship.

FYCA also presents two special awards each year.

The Ian Crawford Memorial Trophy is presented for services to the sport of sailing in the Forth area and has been received by a wide and varied number of people each of whom has made a significant individual contribution to sailing in our area.

The Young Yachtsperson of the Year award is presented to a young person (under 18) who has achieved noteworthy success through competitive sailing and/or who has contributed significantly to club activities either on or off the water.

The committee considers all nominations on their merit and failure does not exclude reapplication in subsequent years. A nomination form is appended and if you know someone who would be a worthy contender for either of these trophies then please submit your nomination to The Secretary, Forth Yacht Clubs Association. (Click [here](#) for full address) Nominations should be with the committee by the end of October each year and should be submitted through your club FYCA delegate or Club Secretary.
